Pro-Kote, LLC Is One Of The Top Finishing Shops In North America

Products Finishing magazine names Pro-Kote, LLC to its 'Top Shops' list

CINCINNATI, Ohio – Pro-Kote, LLC has been named one of the best finishing shops in North America, according to an industry benchmarking survey conducted by *Products Finishing* magazine, a trade publication which has covered the industry since 1938.

The magazine conducted an extensive benchmarking survey that analyzed hundreds of finishing companies in several different areas, including Current Finishing Technology, Finishing Practices and Performances, Business Strategies and Performances, and Training and Human Resources.

Only the top 50 shops were given the honor of being a *Products Finishing* magazine 'Top Shop' based on a scoring matrix in those four criteria. Seven of the Top Shops were located in Canada, and the remaining 43 were located in the U.S.

Pro-Kote, LLC has established itself as one of the best finishing operations in the industry," said Tim Pennington, editor of *Products Finishing* magazine. "The criteria we used was very stringent, and only the top finishing shops that excelled in all four areas made the list. Pro-Kote, LLC is in rare air when it comes to finishing operations."

Pro-Kote, LLC is located at 76 Harts Bridge Rd, and offers Industrial Powder Coating
